脑残粉必读。Kurt的悲剧是性格、家庭和社会的悲剧，用来trade off他的才气吧。Dave虽然没他那么有才，但情商高家教好，走上完全不同的发展轨迹，越老越有味道。

在一个旧书摊上慧眼识之，后来丹妮给弄丢了，也算“死得其所”。

93年的书，有点旧，作者观点有点那个时代的影子

“Jesus, don't want me for a sunbeam ”

1. Nobody could stay absolutely objective toward someone, especially when you spent some time with this guy. 2. Cliche is something nobody could evade. 3. It was the paradox and contradiction in him that made him an angel and evil. 4. In utero is a freaking masterpiece.

总体感觉比起heavier than heaven，这本书讲了更多音乐方面的东西

like the way this depicts Cobain- some kind of low-key, blue child, who never really got a chance to become some grown-up

story of a legend
