The Hands, Saru, Wu-Ronz and now Big Bubba...they all want to rip the hell out of each other--and in that clash, the streets of Tokyo will run red with blood. But the boys in Musashino are going to need a lot of help if they're going to survive this all-out gang war--help they could get from their namesakes in Shibuya...if the two don't kill each other first. "Wonderful drawings, thoughtful characterizations and obvious love of hip-hop style and music...The dialogue is excellent...dynamic action sequences."
