装帧:Hardcover

isbn:9780804821230

Katie is a young American girl living in present-day Tokyo. One day, as she walks her dog, she meets Keiko, a young Japanese girl, and her brother Kenji. Together they explore the city and its surroundings as they teach each other the customs of their respective countries. Whether dining on soba (spaghetti), studying kana (the alphabet), or dancing at the Obon festival, the Tokyo friends discover just how much their two culture differ - and how much they are alike.

Vibrantly illustrated by the author, Tokyo Friends introduces young readers to Japanese traditions, customs, and the Language by means of helpful English-Japanese glosses, which augment the delightful and lively narrative. Valuable as a beginner's guide to Japanese Language and culture, Tokyo Friends is also an

enchanted adventure for young readers.

书评

昨晚在图书馆闭馆前十分钟，突然瞄到了它的书脊，一把抽了出来（最近看到有关日本的书，就有点直接==）。  
一看封面，我就乐了~这不就是给我准备的“沉重埋首考研路上每天除了读书吃饭外”的休息眼睛必备画册嘛！吸引我的元素一应俱全，打开来就图文并茂，主要是能读懂啊~哈哈...
