Amazon.com It's like homemade chicken soup that warms the chill and heals the ill. This collection of 101 stories is based on the belief that true testimonies of goodness and loving transformations can nourish us to the bone and heal the cynicism in our hearts. Indeed, most every story seeps in deeply. It's hard not to shed a tear of gratitude, feeling thrilled to have been touched and soothed so easily. Some of the authors are famous, such as Dan Millman, who writes an exquisite vignette on "Courage," and Gloria Steinem, who writes of "The Royal Knights of Harlem." Many, however, have a short, simple story to tell about an event, a person, an everyday miracle that exemplifies the best of the human spirit. --Gail Hudson Book Description #1 NEW YORK TIMES BESTSELLER! Two of America's best-loved inspirational speakers share the very best of their collected stories and favorite tales that have touched the hearts of people everywhere.
