

Utilitarianism, on Liberty, Considerations on Representative Government

[Utilitarianism, on Liberty, Considerations on Representative Government_ 下载链接1](#)

著者:John Stuart Mill

出版者:J.M. Dent & Sons

出版时间:

装帧:Paperback

isbn:9780460873468

This volume contains three of Mill's most important works. Considered both a guide to efficient, egalitarian state planning and a heartless social policy, "Utilitarianism" (1863) inspired English political philosophy throughout the latter half of the industrial revolution. Also included are some extracts from his "Auguste Comte and Positivism" (1865).
