著者:Joseph Mitchell

出版者:Pantheon

出版时间:1992-08-04

装帧:Hardcover

isbn:9780679412632

Mitchell explored a New York City that has now vanished in his four books and his classic reportage for The New Yorker. Mitchell's eccentrics live again in this omnibus volume that contains all of his books and several previously uncollected stories.

作者介绍:

Joseph Mitchell (July 27, 1908 - May 24, 1996) was an American writer who wrote for The New Yorker. He is known for his carefully written portraits of eccentrics and people on the fringes of society, especially in and around New York City.
