isbn:9780140542356

Deep down underground, in the dark, dripping tunnels of bogeydom, live the bogeys, a vile collection of slimy, smelly creatures who revel in everything revolting. Fungus is a

bogeyman-a particularly foul and fetid specimen. As he goes about his bogey business, the full horrors of bogeydom are revealed. Over 80,000 copies of this fun book have been sold worldwide.
