What makes Maisy and her friends laugh? How do they make playing games more fun? Lift the flaps in this new board book and find some funny surprises.

Everyone knows that Maisy loves to have fun — and now she's inviting her little readers to laugh along with her and her friends. In MORE FUN WITH MAISY! a flip of a flap shows that bicycling, bouncing, and dancing all go better with a friend — and that playing see-saw clearly takes two, three, four, or more!
