The IELTS is internationally recognized as fulfilling English language requirements for

entry to academic courses by more than 380 American colleges and universities, as well as by higher education institutions in Australia, Canada, Ireland, New Zealand, South Africa, and the United Kingdom. This brand-new test preparation manual covers all parts of the IELTS and all of its question types: multiple-choice, short answer, sentence completion, flowchart completion, graphs, tables, making notes, summarizing, labeling diagrams and maps, classification, matching, and selecting from a list. The manual also offers four practice tests with answers, and listening and reading modules with answer keys.
