Everyone has a story to tell. And with MSN Spaces, a free online service from Microsoft, you can get a space of your own to share your thoughts, communicate with friends, and express your individuality! This fun, practical, and slightly quirky book shows you how to get started with your own personal Web log—or blog—on MSN

Spaces. Topics include:

- Blog basics
- How to create your own space
- Making your space public or private
- Customizing the look of your space
- Creating an online photo album to share pictures
- Creating lists for books, music, and other favorite things
- Building a community with your space
- Extending your communications with MSN Messenger and MSN Hotmail®;
- Finding additional inspiration in the MSN Spaces Idea Gallery

Written by a popular computer book author/blogger and a key member of the MSN team, this book introduces the essentials for sharing your life, adventures, and new experiences through MSN Spaces!
