I would like to take this time to thank you and your company for producing great and easy to learn products. I bought two of your books from a local bookstore, and it was the best investment I've ever made! Thank you for thinking of us ordinary people and helping us understand the world in which we live." -;Jeff Eastman (West Des Moines, Iowa) Are you a visual learner? Do you prefer instructions that show you how to do something;-and skip the long-winded explanations? If so, then this book is for you. Open it up and you'll find clear, step-by-step screen shots that show you how to tackle

scores of Windows XP tasks, such as using a wizard to help you print pictures, publishing files to the Web, copying files to a CD, sharing your computer with multiple users, and using the Remote Assistance feature. "Teach Yourself" sidebars offer practical tips and tricks Full-color screen shots demonstrate each task Succinct explanations walk you through step by step Two-page lessons break big topics into bite-sized modules
