Think and Grow Rich : The Original Version, Restored and Revised. Napoleon Hill's classic book -- the all-time bestseller in the personal success field -- offers a life-altering experience. It teaches thousands of people the practical steps to high achievement and financial independence every year. This new edition is the first to contain extensive footnotes, endnotes, appendices, and an index. Now more than a motivational work, it is also a reference book and a mini-history book providing valuable information about Hill, his times, and his success philosophy. TGR's greatest value is not only that it can make you financially successful. It can help YOU -- or ANYONE -- get whatever it is that you desire from life.
