In a small back room in a Seattle bookstore, two strangers make their fantasy come true. But there is still so much further to take it.

Beth isn't expecting it-that's what makes it so exciting. But she knows what she wants. And she gets it: complete control over a man.

Packing years of military discipline under his belt, Sean is about to give in to his ultimate fantasy: to be thoroughly dominated by a woman.

They're not looking for love. They're looking for a night to remember. But where the night takes them is beyond desire, beyond fantasy, and beyond control.
