The New Male Sexuality addresses the most urgent questions of men today--and of the women who love them. Bernie Zilbergeld reports findings from his twenty years as a psychologist specializing in human sexuality, as well as those other experts in the field, and shares his own and his clients' experiences. the result is the most comprehensive guide ever to enhancing desire and arousal, focusing on pleasure rather than performance, and keeping sex exciting and fulfilling.

Clear, comprehensive, witty, and refreshingly realistic, The New Male Sexuality is destined to be a classic of the nineties and beyond.
