"Living is like tearing through a museum. Not until later do you really start absorbing

what you saw, thinking about it, looking it up in a book and remembering— because you can't take it all in at once."

—Audrey Hepburn

On many occasions, she was approached to pen her autobiography, the definitive book of Audrey Hepburn, yet she never agreed. A beloved icon who found success as an actress, a mother and an humanitarian, Audrey Hepburn perfected the art of gracious living. More philosophy than biography, *How to Be Lovely* revisits the many interviews Audrey gave over the years, allowing us to hear her voice directly on universal topics of concern to women the world over: careers, love lives, motherhood and relationships. Enhanced by rarely seen photographs, behind-the-scenes stories, and insights from the friends who knew her well, *How to Be Lovely* uncovers the real Audrey, in her own words. While she would have been the last to say so, Audrey Hepburn was an expert in the art of being a woman. *How to Be Lovely* imparts whatever wisdom and insight she found along the way to the millions who grew up, or will grow up, wanting to be just like her. Published to coincide with Audrey Hepburn's would-be seventy-fifth birthday, *How to Be Lovely* offers a rare glimpse into the woman behind the mystique and the definitive guide to living genuinely with glamour and grace.

书里有很多从来没有见过图片

“Since the world has existed, there has been injustice. But it is one world (rather than the First&Third worlds). There's a moral obligation that those who have should give to those who have nothing.I went to rebel country and saw mothers&children who had walked for weeks looking for food.I don't want to see them digging graves for their children.”

作者文笔也不错，幽默又自持；赫本也挺人品的大家都夸，而且这种灵性和演技，让我想到周迅和孙俪

你的美丽不在于你频繁地出现在特写镜头，抑或剑拔弩张的闪光灯中一段颠倒众生的回眸。你是一个好母亲，一个好妻子，一个普通的志愿者，一个会在花园里浇浇花和宠物追逐嬉闹，最后闻到烤箱里的焦味曲奇而惊慌不已的普通女人。你只是借用明星的手段传播一切你认为能称得上是“美好”的人性。无论是过分的美化或是夸张的虚构都不去计较，至少你成为了使者——刻画“经典”的使者，Audrey Hepburn

“在唐宁一见钟情，跳读了一下，一直幻想拥有它……只是外文书籍的价钱实在不敢恭维……不知道网上能不能浏览到”这是我之前想读的标记。然后我男人默默在北京各大书店寻找，最后在亚马逊上了四本的时候给我买下~对我真是一本lovely and sweet book

Audrey美 有气质 喜欢她的要看
