装帧:Paperback

isbn:9780881840711

Essays trace the history of the detective story in America and England, looks at how mysteries are written, and provides a guide to detective characters and their creators

作者介绍:

Upon the publication of *Murder for Pleasure*, Howard Haycraft (1905–91) became one of the first critics to offer a serious look at the mystery/detective genre. The publisher and editor was also a two-time Edgar Award winner and a prolific anthologist whose works include *The Art of the Mystery Story*, *Fourteen Great Detective Stories*, and *The Haycraft-Queen Definitive Library of Detective Crime Mystery Fiction*.
