Growing up in a village of ninjas, Uzumaki Naruto never knew the adults of the village shunned him because sealed within him was the spirit of the demon fox who had destroyed their village 12 years ago. When his corrupt teacher Mizuki tricked him into stealing a secret scroll of ninjutsu, Naruto learned the truth about who he was, but it didn't change his goal to win the respect of the village by becoming THE GREATEST NINJA EVER!

First he must pass the test to enter the Ninja Academy; deal with his would-be rival, Konohamaru; and learn to get along with his new classmates, Sasuke and Sakura. Assigned to a three-person team, Naruto, Sasuke and Sakura must survive a test against an upper-level ninja instructor: the deceptively powerful Hatake Kakashi. But only two people can pass... which one will fail?
