装帧:Paperback

isbn:9780553588927

For more than two decades, millions of consumers have trusted The Pill Book to provide official FDA-approved drug information plus guidelines from leading pharmacists. Each drug is profiled in a concise readable, and easy-to-understand entry, making The Pill Book the perfect reference when you have questions about the medications your doctor prescribes.

The most up-to-date information about the more than 1,800

most commonly prescribed drugs in the United States:

- • Generic and brand-name listings that can help you save money

- • What the drug is for, and how it works

- • Usual dosages, and what to do if a dose is skipped

- • Side effects and possible adverse reactions,

highlighted for quick reference

- • Interactions with other drugs and food

- • Overdose and addiction potential

- • Alcohol-free and sugar-free medications

- • The most popular self-injected medications and their safe handling

- • Information for seniors, pregnant and breast-feeding

women, children, and others with special needs

- • Cautions and warnings, and when to call your doctor

- • 32 pages of actual-size color photographs of prescription pills
