Pablo Neruda is one of the world's most popular poets, and "The Book of Questions" is Copper Canyon's all-time best-seller. This updated bilingual edition is entirely

re-designed and features a new cover, new interior, and an introduction by translator. In "The Book of Questions," Neruda refuses to be corralled by the rational mind. Composed of 316 unanswerable questions, these poems integrate the wonder of a child with the experiences of an adult. By turns Orphic, comic, surreal, and poignant, Neruda's questions lead the reader beyond reason into realms of intuition and pure imagination. "Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Is there anything in the world sadder than a train standing in the rain?" When Neruda died in 1973, "The Book of Questions" was one of eight unpublished poetry manuscripts that lay on his desk. In it, Neruda achieves a deeper vulnerability and vision than in his earlier work-and this unique book is a testament to everything that made Neruda an artist. "Neruda's questions evoke pictures that make sense on a visual level before the reader can grasp them on a literal one. The effect is mildly dazzling and] O'Daly's translations achieve a tone that is both meditative and spontaneous." -Publishers Weekly Pablo Neruda, born in southern Chile, led a life charged with poetic and political activity. He was the recipient of the Nobel Prize in Literature, the International Peace Prize, and served as Chile's ambassador to several countries, including Burma, France, and Argentina. He died in 1973. Neruda

有的无稽有的深刻。充满童心却又有长者胸怀。

英文译文不是很靠谱。

No sera nuestra vida un tunel entre dos vagas claridades? O no sera una claridad entre dos triangulos oscuros?

Neruda achieves a deeper vulnerability and vision than in his earlier work. These poems integrate the wonder of a child with the experience of an adult. Neruda craves the clarity rendered from an examined life, he refuses to be corralled by his rational mind. His questions present a reflective surface, in which only one's own face is discerned.

"被叫做‘帕布罗.聂鲁达’难道不是世界上最傻的事情吗？"

比照中文版读了一遍，也抄了一遍。

Need I say more?

Impressive!! Read Neruda's Book of Questions, note variety of ways asking questions.

诗意的百宝箱
