For generations, readers have enjoyed classic literature. They have delighted in the romance of Jane Austen, thrilled at the adventures of Jules Verne, and pondered the lessons of Aesop. Introduce young readers to these familiar volumes with Great Illustrated Classics. In this series, literary masterworks have been adapted for young scholars. Large, easy-to-read type and charming pen-and-ink drawings enhance the text. Students are sure to enjoy becoming acquainted with traditional literature through these well-loved classics.

# Cinderella

Once upon a time... there lived an unhappy young girl. Unhappy she was, for her mother was dead, her father had married another woman, a widow with two daughters, and her stepmother didn't like her one little bit. But, for the poor unhappy girl, there was nothing at all. No dresses, only her stepsisters' hand-me-downs. No lovely dishes, nothing but scraps. No nice rests and comfort. For she had to work hard all day, and only when evening came was she allowed to sit for a while by the fire, near the cinders. That is how she got her nickname, for everybody called her Cinderella.

Time goes by.What magic things will happen to her?

This book will show all the young readers the beautiful fairy story.
