Getting Started in Oils

Fun and fundamentals - you'll find plenty of both in Getting Started In Oils. A brief introduction to sketching and composition will help you develop your own ideas, and sections on light and shadow, colors, and shapes will help you discover the excitement of this classic medium. Practicing professional artists will guide you step-by-step in creating your own oil paintings. They'll inspire you to experiment, try different techniques, and use your imagination. Finally, you'll learn a few key tips and some sound ideas to continue on your own in this easy-to-follow book, featuring about 200 full-color illustrations.

The entire Artist's Workshop series, published by Walter Foster, is an engaging,practical way to acquire the basic skills of painting in oils and watercolors.
