书评

Before American Civil War, there had been many literary works mirroring the terrible situation of black people. 12 years a slave written in 1953 and black like me published in 1961 gave me much more vivid descriptions of racial discrimination. Therefore, I w...

which reflects similar things in different times and different places. ...have a paper back copy in hands which was given by a buddy couple of months ago. 'd been busy reading another book until few weeks ago. then finished fast within a few days...need so...
