isbn:9780582511842

Written using the 2000-word Longman Defining Vocabulary the definitions are easy to understand and explain meanings in a way that simple translations in a bilingual dictionary cannot. Actively encouraging students to develop their language through the built-in workbook, study notes and full colour illustrations, this dictionary is ideal for exam preparation. Now available with CD-ROM: 0582 511844 *Full text of the dictionary *All headwords pronounced *Hundreds of Pictures *Full range of interactive exercises
