This new edition of the Collins Concise Dictionary & Thesaurus gives two books in one, with matching dictionary and thesaurus entries on the same page. The comprehensive dictionary text uses information from the Bank of English, our 520 million word language database. Words are defined in straightforward language with examples showing how they are actually used. Matching thesaurus entries are given on the same page for one-stop lookup. Language in Action supplement helps you write clear, persuasive letters, complain effectively, write CVs, and avoid common e-mail pitfalls.
