Book Description

The Wordsworth Classics covers a huge list of beloved works of literature in English and translations. This growing series is rigorously updated, with scholarly introductions and notes added to new titles.

This edition includes all ten of Henry James's "apparitional" stories, or ghost stories. They include: "The Jolly Corner", a story of psychological doubling; "Owen Wingrave", a parable of military tradition; and "The Friends of the Friends", a story of uncanny love.

Synopsis:

About this book: Henry James was arguably the greatest practitioner of what has been called the psychological ghost story. His stories explore the region which lies between the supernatural or straightforwardly marvellous and the darker areas of the human psyche. This edition includes all ten of his 'appacitional' stories, or ghost stories in the strict sense of the term, and as such is the fullest collection currently available. The stories range widely in tone and type. They include 'The Jolly Corner', a compelling story of psychological doubling; 'Owen Wingrave', which is also a subtle parable of military tradition; 'The Friends of the Friends', a strange story of uncanny love; and 'The Private Life', which finds high comedy in its ghostly theme. The volume also includes James's great novella 'The Turn of the Screw', perhaps the most ambiguous and disturbing ghost story ever written.

评论

喜欢henry james的语言迷宫，有时一句话可以达到二十行，难，优雅，很有趣味。这本选集里有著名的“螺丝在拧紧”。henry james鬼故事里其实并没有鬼神，只有心魔。

ECNULIB#065EXCERPT真的很难喜欢上James,语言非常地。。。搞脑子，而且他的心理分析有点过时。。。

有几个超棒的短中篇,最喜欢Ghostly Rental ,和Friends of the Friends。The Turn of the Screw 不太喜欢，觉得女主就是花痴成了病态。总体很不错。对詹姆斯路人转粉.
