《中国古典喜剧故事选(英文本)》简介：Six Classical Chinese Comedies is adapted from the following six classical Chinese comic operas: "Saving a Fallen Angel," "Elopement," "The Western Chamber," "The Miser," "The Jade Hairpin" and "The Kite Wrangle." Their plots and protagonists are well known in almost every household in China. The plots of the stories amuse and instruct at the same time. Their literary entertainment value lies in the way they mock the negative characters and giving prominence to righteous and resourceful figures。
