In this collection of prose writings, one of America's foremost poets and feminist theorists reflects upon themes that have shaped her life and work. At issue are the politics of language; the uses of scholarship; and the topics of racism, history, and motherhood among others called forth by Rich as "part of the effort to define a female consciousness which is political, aesthetic, and erotic, and which refuses to be included or contained in the culture of passivity."

每一句话都不能同意更多了. We have had enough suicidal women poets, enough

suicidal women, enough of self-destructiveness as the sole form of violence permitted to women. 女性，有色人种女性，同性恋有色人种女性, Rich的身份代表的就是社会。
