The eBay Millionaire profiles 25 of eBay's elite Titanium Power Sellers-those who move more than \$150,000 in goods every month-and reveals the secrets to their success. Author Amy Joyner reveals the fifty top lessons for profitably selling almost anything on eBay, from how to select the best mix of merchandise, ship goods, and keep customers happy to working with wholesalers, making the leap from part-time to full-time selling, and looking like a million-dollar business even if you're working from your kitchen table.
