This book describes everything you need to start raking in the big bucks on eBay - today! Many people see eBay as an amazing money-making opportunity, but don't

know how to take advantage of it. Good news: in as little as one hour, this amazing guide can fill you in on everything you need to know to make a fortune on eBay. "How to Sell Anything on eBay and Make a Fortune! Organizer" arms you with everything you need to set up and manage a smart, well-organized, successful online selling operation. In addition to concise, A-to-Z coverage of basic to advanced eBay topics, you get a wide variety of worksheets and other powerful working tools - including inventory trackers, sales spreadsheets, profit-figuring formulas and handy checklists - that help you get on track, get organized, and consistently make big profits selling just about anything on eBay. It helps you: get registered and keep your private information private; master auction formats and item details; determine what's hot and what's not; uncover hidden treasures; create irresistible listings for surefire sales; keep track of inventory; set up an auction office and website; and, steer clear of frauds, fakes, counterfeits and scams.
