Paris Hilton has a lifestyle most girls dream about. Her name is on everyone's lips, but can she help it if she was born rich and privileged? Now, with a sly sense of humor and a big wink at her media image, Paris lets you in for a sneak peek at the life of a real, live heiress/model/actress/singer/it-girl and tells you how anyone can live a fairy-tale life like her.

Featuring more than three hundred fabulous color photos of Paris, Confessions of an Heiress is a look at life from the unique perspective of a young woman who has the whole world at her stiletto-clad feet.
