In Wallace & Gromit's first feature-length film, Curse of the Wererabbit, produced by multi-Oscar winning Aardman Animation, our two heroes have started a humane pest

control business, Anti-Pesto. But when they try to tackle a bunny infestation threatening the local Giant Vegetable Competition, they come face-to-face with a terrifying and mysterious beast... the Wererabbit!

Discover all the film's behind-the-scenes secrets in this full-colour, lavishly illustrated companion. With exclusive concept art, character models, set designs, stills and more, plus interviews with all the leading talent and an introduction by Nick Park, The Art of Wallace & Gromit is the indispensable guide to this must-see movie.
