Sexy Is as Sexy Does...

Bigger is definitely better, as Katie Arons -- one of the fifty million American women who wear a size 12 or larger, and a world-famous Ford model -- knows. Without a single word about losing weight, Arons offers the encouragement, confidence, and techniques needed to attract smart, good-looking, and successful men. Here, readers of all sizes will welcome the way Katie defies the expectations of a society obsessed with thinness and offers up tried-and-true advice on:

- * How to accept yourself as you are
- * Where to go, what to say, and how to find the "right" type of man
- * The best cities where real women are truly appreciated
- * Alternative ways to meet men -- personal ads, the Internet, invitation-only parties (and how to get invited!)
- * Style tips: makeup, hair, and clothing
- * "How to make love to a man big time"
- * Plus lots more!

And Katie has put together the ultimate resource guide to organizations, clubs, books and other publications, and on-line support groups. You name it -- if it's out there, Katie's found it. When it comes to love, the bigger the better!
