This is the most affordable and easy-to-use medical pocket guide available! "Current Essentials of Medicine, Third Edition" is the only pocket guide to offer disease essentials in the world-famous one-disease-per-page format. More than 500 common and important diseases seen in both primary care and hospital settings are covered with bulleted instructions on diagnosis and treatment essentials. This edition includes updated and expanded treatment information and expanded coverage of infectious diseases. It is the world-famous "first resource" for trainees, residents, and clinicians who wish to confirm a diagnosis.
