People have been getting paid to clown around for centuries. What's stopping you? The medieval court jester has been replaced by the stand-up comedian, but there are many other career avenues for those with a unique sense of humor. You can turn your talent for making people laugh into a rewarding profession. Could you ask for a better career than one that makes people happy? This book will put you on the path to success. "Careers for Class Clowns & Other Engaging Types" provides all the information you need to launch a career as a: stand-up comedian; circus clown; magician; juggler; actor; musician; TV personality; and, party clown. Inside you'll find practical advice on deciding which calling is right for you, along with first-hand accounts of the everyday routines and working conditions of selected jobs. Written for newcomers and career-changers alike, "Careers for Class Clowns & Other Engaging Types" includes lists of resources to help you get your foot in the door. Here's the first step to a profitable living doing what you love.
