This hilarious, tongue-in-cheek, self-help parody is a "musthave" for dog owners who are baffled by their dog's quirky habits and questionable conduct. Whether Fido compulsively chews up old blankets, obsessively licks the hardwood floor, or barks uncontrollably at an empty corner, bestselling humor author Stephen Baker offers "expert" advice on understanding, analyzing, and curing aberrant behavior. The newly repackaged "How to Live with a Neurotic Dog" covers a wide range of neuroses, including training, grooming, traveling, and feeding freak outs. Through entertaining illustrations and sharply witty text, this canine classic will help dog owners see things from their pooch's point of view.
