出版者:McGraw-Hill

出版时间:2005-10

装帧:HRD

isbn:9780071436809

This essential text assists health care students and practitioners in delivering skilled and appropriate care to all patients, no matter their ethnicity, country of origin, cultural history, or access to services. Presenting need to know and often hard to find information on differences in access to health-care, immunization histories, disease

prevalence, attitudes about health and provision of care, and much more, this resource provides practical, authoritative and specific guidance.
