This groundbreaking book takes you through the entire process of building a work environment that is exactly what your employees want and deserve. Key strategies show you how to establish the most effective work culture and climate for your team. You'll get all the information you need to implement the most compelling forms of communication, motivation, and recognition in your particular workplace. Employees will become more responsive, productive, and harmonious because you as a boss will know how to give them exactly what they want...and deserve.
