"CURRENT Consult: Medicine 2005 for PDA" provides immediate solutions to the

challenging problems of hospital and practice settings. "CURRENT Consult: Medicine 2005 for PDA" brings you authoritative clinical answers on more than 850 disorders from one of the most trusted sources in medicine - "CURRENT Medical Diagnosis and Treatment" - in a format perfectly suited to the needs of busy physicians. It is authoritative, efficient and easy to use. The features include: practical answers on the diagnosis and treatment of more than 850 disorders; diagnostic steps, differential diagnoses, treatment options, including specific drug regimens, and practice guidelines; guidance on choosing laboratory tests and imaging studies; and quick advice on When to Admit and When to Refer.
