著者:MATTHEWS

出版者:McGraw-Hill

出版时间:2005-4

装帧:Pap

isbn:9780072260328

Here is a full-color, fast reference to the most popular electronic document exchange program - Adobe Acrobat. Release 7 is a major upgrade with new features that include enhanced PDF creation, watermarks, improved collaboration functions, digital signature capability, and more. All these and more features are covered in the book. Color screenshots with callouts show and explain exactly what you'll see on your computer screen while you're doing a task. The lengthwise layout of the book provides a more open, visual display and allows the book to lie flat for easy reference. You can learn to: create, view, and edit PDFs; use distiller; create interactive forms; add links and multimedia; and establish document security.
