出版者:McGraw-Hill

出版时间:2004-9

装帧:Pap

isbn:9780071434157

Designed to fit into a lab coat pocket, this handy reference provides quick access to diagnosis and treatment information of the full spectrum of infectious diseases. It is the first complete point-of-care clinical tool to provide the practitioner guidance in all aspects of ID management. It covers all drugs about to enter onto the horizon of clinical practice as well (Biologic and immunotherapeutic drugs).
