出版时间:2004-10-13

装帧:Paperback

isbn:9780071417365

Evidence-based and age-specific, this book guides the clinician through the diagnosis and management of the poisoned pediatric patient. It features high yield facts at the start of each chapter, case presentations throughout, a 200+ question self-assessment section, antidote dosage tables, colour plates, and coverage of herbal products,

vitamins, cosmetics, spider bites, and snake bites.
