isbn:9780072257847

This is the only certification prep book on the market for the new CRCP exam! It helps

you: get 100 per cent complete CRCP exam coverage, including content for each of the three electives; learn what you need to know with the technical discussion sidebars, hands-on examples and practice questions at the end of each chapter; and run the CD-ROM, which includes simulated practice questions using the LearnKey test engine, electronic book and flash cards for your PC or PDA.
