Thinking of oneself as "self-employed" - and "the boss" of one's life and work - is the key to personal and professional development, says Cliff Hakim. He shows how to use his pioneering Worklife Creed as a basis for a new, satisfying philosophy of work and life. Providing a clear roadmap for finding purpose and passion in work, this revised edition includes a refined Worklife Creed, greater emphasis on taking full responsibility for one's worklife and understanding and expressing one's own uniqueness, and a "Who's the Boss?" section that acts as a practical and potent take-anywhere toolbox.
