装帧:HRD

isbn:9780814472071

Great companies save money every day, now every organization can realise "The Incredible Payback"! The authors of the acclaimed "The Purchasing Machine" deliver an eye-opening look at the power of supply management, presenting success stories from best-of-the-best procurement organizations like Honda, Delphi, John Deere, and others. This book presents an all-new supply chain best practice: Spend Management, and also demonstrates how procurement strategy is a key factor in bottom line results.
