This is your passport to a successful and rewarding career. Are you looking for the latest information to open the door to the career of your dreams? The nation's largest career books series, "McGraw-Hill's Opportunities in ..." series gives you the inside scoop on more than 100 professions as well as on all the essential aspects of your potential career, no matter how specialized the field. From the latest training requirements to current salary statistics to the lowdown on life on the job, each book is packed with comprehensive, up-to-date information to help you confidently pursue the profession that's right for you! In this revised edition of "Opportunities in Teaching Careers", you'll find: tips on determining which level of teaching is right for you; important information on choosing a college or university, financing your education, and getting accredited; earning potential in the multitude of jobs in education; close look at the teacher selection process, rural versus urban settings, and paths to advancement; interviews with working teachers for realistic descriptions of workload and employment conditions; related opportunities in education, such as social worker and administrator; and, discussion of important issues relating to technology, school conditions, and ethics. Perfect for anyone from high-school students to career changers, this comprehensive, no-nonsense guide takes the stress out of launching a career that's both satisfying and financially rewarding. Here you'll find ample expert

advice to make an informed, intelligent choice about your career - and your future.
