Straightforward advice for anyone looking to take control of their personal finances and successfully invest in stocks, real estate, and more. Tackling one's financial future has to be managed the way a platoon leader plans an assault, in a get-it-done, precision-style maneuver. Dick teaches you ways to find financial peace in the no-holds-barred Operation Financial Freedom. Practical wealth-building techniques cover everything from stock and mutual fund investing to buying income-producing assets, while tax-saving strategies help achieve greater overall performance. More than just a primer for picking the right stocks, this book explains how you can develop and implement a unified financial strategy, creating a millionaire legacy for yourself and your children.
