装帧:Paperback

isbn:9780072121247

This is another gem from Herb Schildt-best-selling programming author with more than 2.5 million books sold! "C: The Complete Reference, Fourth Edition" gives you full details on C99, the New ANSI/ISO Standard for C. You'll get in-depth coverage of the C language and function libraries as well as all the newest C features, including restricted pointers, inline functions, variable-length arrays, and complex math. This jam-packed resource includes hundreds of examples and sample applications.
