isbn:9780071407106

This title contains a comprehensive study of all types of literature addressed in the 2002 GED exam, plus a new section on business-related documents. Announcing the ultimate GED test review series. For the nearly one million North Americans who take

the GED exam every year, readiness is a key ingredient for success. "McGraw-Hill's GED Test" series, which reflects the new 2002 test guidelines, is dedicated to preparing students to pass each of the five GED subject exams. This focused format allows students to pretest for strengths and weaknesses in a given subject, thoroughly review core content areas, and finally check their exam-readiness with a full-length post-test in GED format. A complete answer key, which explains why each answer is correct and test-taking strategies, increases the odds of success.
