Based on the popular language "bibles," "The Blue Pocket Book of French Verbs" and "The Red Pocket Book of Spanish Verbs" are the most comprehensive, clearest, and easiest-to-use sources for beginning and intermediate learners. Now these books are even more convenient for school or home use thanks to their smaller trim size. But these pocket-sized guides are still mightier than all of the competition in this format. These portable guides offer smooth sailing through the turbulent seas of a new grammar with: 333 fully conjugated verbs, listed alphabetically; current idioms and expressions for each verb; full facing page of usage examples for the top 50 verbs; one-stop, at-a-glance verb-tense profiles; more than 2,200 verbs cross-referenced to models; a handy guide to deciphering irregular verb forms; and an English index to the model verbs.
