著者:Segen, J.C.

出版者:McGraw-Hill Professional

出版时间:2005-11

装帧:Pap

isbn:9780838515358

This compendium features more than 20,000 current medical terms, many of which

are generally not included in ordinary medical dictionaries or only briefly and inadequately defined. Focusing on the real-world language of practice, and including coverage of basic science, the "Concise Dictionary of Modern Medicine" provides readable, comprehensible definitions of terminology, jargon, acronyms, neologisms, and casual speech heard in today's practice.
